Our Bert

Please join us at the Rotorua CT Club, 26 Moncur Drive for
Fish n' Chips and sharing your memories of Bert!

*It's not the things you accumulate in life that matter....
but how you touch others, and the relationships you've
shared that determine how you will be remembered!*

Dad

Dad was the most honest person I have known. He would help anyone if he could and believed that if you always do your best for people, they shall return it to you at some point. He lost Sylvia too soon, but would never replace her as the love of his life. She was the one for him! He had integrity & honor and always said "if you have family... you will always have a friend in life". He will be missed by so many that he touched in his lifetime, as he was a kind and giving person.
